#### Remarks

When a former home inspector builds a home, you know it is ROCK SOLID and indeed has withstood nature's punches with ZERO damage! This stunning home overlooks a beautiful canal in Rotonda West, and no stone has been left unturned. This home has propane, which is a rare treat in SW Florida! 6 burner gas stove, gas heated saltwater pool, and more. Each bedroom has its own en-suite bath, and the 3rd bath opens to the lanai. The oversized lanai comes complete with an outdoor kitchen AND a keg-o-rator to keep your drinks cold and on tap. So many extras were added, including bumping out the garage providing extra room to fit trucks and longer vehicles. (or toys!) This home is being sold TURNKEY, aside from a few family heirlooms. GORGEOUS Tommy Bahama by Lexington pieces fill this home, and so much more! Schedule your preview...This is a must see, built incredibly strong, NO FLOOD zone, and ready for you to move in.
